Close

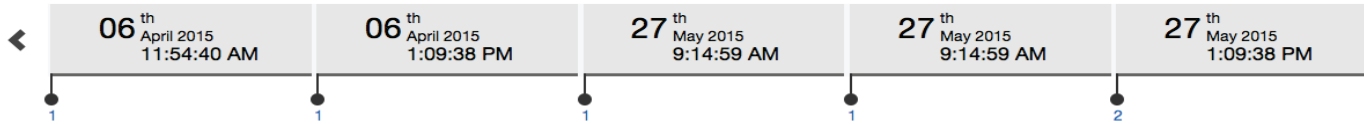

- 1 New header.
- 2 Please add the External Link icon to the Manage Resource button.
- 3 Truncate long strings for names. Show "..." and on Mouse Over show the completed string.
- 4 Show up to five policies. If more show link "More". OnClick open modal that shows all the policies (Json).

If User clicks on one particular policy from the list anchor the policy into the place where the policy is located in the JSON document.

All times are in PDT (UTC-07:00)
Data shown may be up to 10 minutes old.
